

## **Country Trained Restricted Races (Country Maidens, Magic, Country Boosted)**

*This condition applies to the eligibility of horses to contest a race restricted to horses trained by country trainers, where the horse has transferred to an eligible stable from a Metropolitan, Provincial, Interstate or International trainer.*

To be eligible to contest a country restricted race, horses transferred to a country stable from a Metropolitan, Provincial, Interstate or International trainer must either:

- have contested a minimum of three (3) NSW races for that NSW Country Trainer; or
- be under the care of the NSW Country Trainer for a period of at least three months, as evidenced by a stable return.
