

## NOTICE

### NOTIFICATION OF PLATING IN NSW

Trainers are responsible at all times for ensuring that horses with race engagements comply with the plating requirements in accordance with AR 107.

Non-standard plating must be approved by the stewards. In compliance with this rule, trainers must declare prior to acceptance time, any use of the following:

- Synthetic Hoof Repair Material
- Bar Plates
- Tips
  - o Inclusive of any change from tips to plates or from plates to tips
- Hoof Pads
  - o Inclusive of Equi-Pak™ pour in pads
- Concussion Plates
  - o Inclusive of shock shod plates and erethane protected race plates
- Glue on Shoes and Race Plates
  - o Either glue tab shoes or race plates fitted with Equilox™ or similar

Trainers are encouraged to familiarise themselves with the Racing Australia National Equipment Register for more information regarding the provisions of AR 107
