**N**SW Jockeys Association organised a second instalment of 'Jockeys Reunion Day' on Saturday 6 August with the group meeting at the Owners Pavilion overlooking the Theatre of the Horse for an afternoon of catching up and reminiscing.

"This was our second reunion, the previous being in 2019," said Tony Crisafi, Chief Executive Officer of NSW Jockeys Association.

"The venue was perfect and made a huge difference. Many continue to work in the industry they love and were over the moon to meet up once again.

"We had a blessing and a minute's silence before the former jockeys mingled with current jockeys and performed a Guard of Honour.

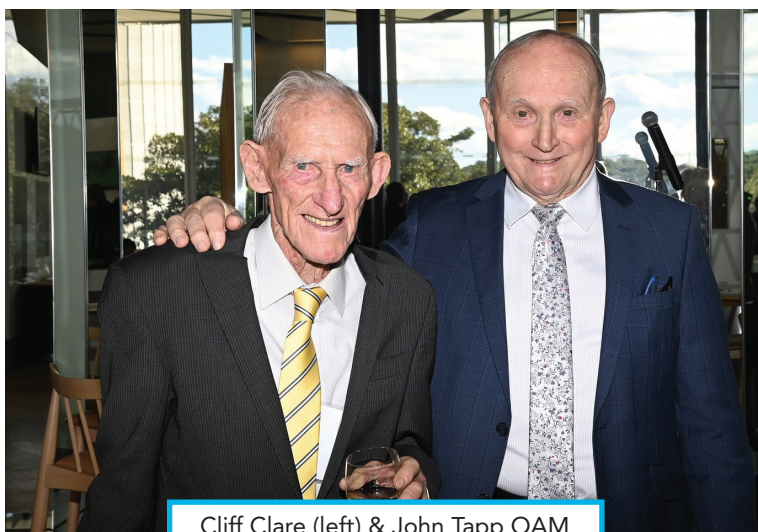

"It was a fabulous day and thanks to the many attendees that came from long distances to attend. We will more than likely have the next reunion in 2024."
