

Racing NSW
NSW Thoroughbred Race Field Information Use Approvals
For Australian Wagering Operators Standard Conditions – 2019-20
(Effective 1 July 2019)

1 Race Field Information Use Approval

1.1 Race Field Information Use Approval

In accordance with section 33A of the Betting and Racing Act, Racing NSW grants to the Approval Holder approval to Use NSW Thoroughbred Race Field Information:

- (a) during the Approval Period;
- (b) in the course of the wagering operations of the Approval Holder which are conducted under its Australian Wagering Licence; and
- (c) where the Use takes place:
 - (1) in Australia; or
 - (2) in respect of a website which is:
 - (a) hosted and maintained in Australia; and
 - (b) used for the wagering operations of the Approval Holder which are conducted under its Australian Wagering Licence,

even if that website is accessible by persons located outside Australia, provided that the website only relates to wagering operations conducted under Australian Wagering Licences and not to any other wagering operations (including any wagering operation conducted under a licence or approval granted under the laws of any jurisdiction other than an Australian State or Territory),

subject to, and on the terms set out in, these conditions and any Special Conditions.

1.2 Approval Period

The Race Field Information Use Approval commences on the Effective Date and ends on the End Date unless earlier cancelled in accordance with these conditions.

2 Fees

2.1 Fees

- (a) The Approval Holder must pay to Racing NSW a fee of an amount equal to the following percentages in respect of the Approval Period:
 - (1) 1% of the Approval Holder's Under Exempt Threshold Turnover;
 - (2) as to the Approval Holder's Over Exempt Threshold Turnover:
 - (a) 2% in respect of any race held at a Standard Race Meeting (other than Turnover of wagers made at Totalizator Derived Odds);
 - (b) 2.5% in respect of any race held at a Premium Race Meeting (other than Turnover of wagers made at Totalizator Derived Odds);

- (c) 3% in respect of Turnover of wagers at any race held at a Premier Race Meeting (other than Turnover of wagers made at Totalizator Derived Odds);
- (d) 2.5% in respect of Turnover of wagers made at Totalizator Derived Odds on any race held at a Standard Race Meeting;
- (e) 3% in respect of Turnover of wagers made at Totalizator Derived Odds on any race held at a Premium Race Meeting; and
- (f) 3.5% in respect of Turnover of wagers made at Totalizator Derived Odds on any race held at a Premier Race Meeting.

(Premier/Premium/Standard Race Meetings: For example, if a race meeting is held at Rosehill that has at least one race with prizemoney of \$150,000 or more and other race meetings are held in NSW on the same day at say Kembla Grange and Wagga Wagga that do not have a race with prizemoney of \$150,000 or more, the fee shall be an amount equal to the applicable Premium Race Meeting fee of the Approval Holder's Turnover on the Rosehill Race Meeting and the amount equal to the applicable Standard Race Meeting fee of the Approval Holder's Turnover on the Kembla Grange and Wagga Wagga race meetings (subject to the application of the Approval Holder's Exempt Turnover Amount)). The same principles apply where there is a Premier Race Meeting involved.

- (b) The Approval Holder must pay the fee referred to in clause 2.1(a) in accordance with this clause 2, including by paying:
 - (1) all instalments in accordance with clause 2.4 and 2.5; and
 - (2) any amount payable by the Approval Holder in accordance with clause 2.6.

2.2 Exempt Turnover Threshold

- (a) The Approval Holder's Exempt Turnover Amount in respect of a period is:
 - (1) if the Approval Holder is not Related to any other Australian Wagering Operator at any time during the relevant period, the Exempt Turnover Threshold in respect of that period;
 - (2) if the Approval Holder is not Related to any other Australian Wagering Operator for only part of the relevant period:
 - (a) in respect of that part of the relevant period in which the Approval Holder was not Related to any other Australian Wagering Operator, the Exempt Turnover Threshold for that part of the relevant period; and
 - (b) in respect of that remainder of the relevant period, the amount, if any, of the Exempt Turnover Threshold for that part of the relevant period that Racing NSW allocates to the Approval Holder under clause 2.2(b); or
 - (3) if the Approval Holder is Related to any other Australian Wagering Operator during the whole of the relevant period, the amount, if any, of the Exempt Turnover Threshold for that period that Racing NSW allocates to the Approval Holder under clause 2.2(b).
- (b) If the Approval Holder is Related to any other Australian Wagering Operator during the Approval Period, Racing NSW will allocate the Exempt Turnover Threshold amongst the members of the Group to the intent that, in determining the fees payable to Racing NSW in accordance with conditions imposed on Approvals to Group Members, the Australian Wagering Operators in the Group:
 - (1) will collectively be entitled to the benefit of the Exempt Turnover Threshold; but

- (2) will not collectively be entitled to deductions from their NSW Thoroughbred Turnover (other than credits for Bet Backs in accordance with Approvals to Group Members) of more than the Exempt Turnover Threshold.

(For example, if the Approval Holder and a subsidiary company of the Approval Holder both hold Australia Wagering Licences and each holds Race Field Information Use Approvals from Racing NSW for a full Financial Year, in that Financial Year the Approval Holder and its subsidiary company would collectively pay fees at a rate equal to the Standard Race Meeting fee (or the Premier or Premium Race Meeting fee when required in accordance with clause 2.1) of the amount by which their combined NSW Thoroughbred Turnover (net of any Bet Back credits) exceeded \$5 million (subject to the conditions of clause 2.2(f)). As the Approval Holder and its subsidiary company are Related they would not each be entitled to the benefit of paying 1% on their first \$5 million of NSW Thoroughbred Turnover (net of any Bet Back credits). Rather a single \$5 million threshold would apply to their combined NSW Thoroughbred Turnover (net of buy back credits) and Racing NSW would allocate that single threshold between the Approval Holder and its subsidiary.)

- (c) Racing NSW may change the allocation of the Exempt Turnover Threshold under clause 2.2(b) if there is a change in the Australian Wagering Operators to whom the Approval Holder is Related.
- (d) In allocating the Exempt Turnover Threshold amongst the members of the Group under clause 2.2(b), Racing NSW will seek to allocate that Exempt Turnover Threshold:
 - (1) where the members of the Group were Related at the start of the Financial Year and all members of the Group specify the same proposed allocation of the Exempt Turnover Threshold in their applications to Racing NSW for Race Field Information Use Approvals, in accordance with the proposed allocation specified in those applications; or
 - (2) otherwise, to the member of the Group with the highest anticipated NSW Thoroughbred Turnover for the Financial Year and then, to the extent that the Exempt Turnover Threshold is not fully allocated, to the member of the Group with the next highest anticipated NSW Thoroughbred Turnover and so on, but Racing NSW will not be liable to any person, on any basis whatsoever, as a result of the manner in which the Exempt Turnover Threshold is allocated amongst members of the Group, including if the allocation is not conducted in accordance with this clause 2.2(d).
- (e) Item 8 of the Approval Schedule sets out the Approval Holder's Exempt Turnover Amount on the assumption that the Race Field Information Use Approval commences on the Effective Date and ends on the End Date, the Australian Wagering Operators to whom the Approval Holder is Related are as set out in Item 7 of the Approval Schedule and that during the Approval Period, there is no change in the Australian Wagering Operators to whom the Approval Holder is Related. The Approval Holder's Exempt Turnover Amount may vary from that set out in Item 8 of the Approval Schedule if events do not occur as assumed in this clause 2.2(e) or if Racing NSW determines that the amount stated in Item 8 of the Approval Schedule does not accurately reflect the Approval Holder's Exempt Turnover Amount determined in accordance with this clause 2.2.
- (f) The Approval Holder's Exempt Turnover Amount is to be allocated as follows:
 - (1) firstly against Turnover on races held at a Standard Race Meeting (other than Turnover of wagers made at Totalizator Derived Odds);
 - (2) If, and only if, any part of Approval Holder's Exempt Turnover Amount remains after allocation pursuant to clause 2.2(f)(1), it is then to be allocated against Turnover on races held at a Premium Race Meeting (other than Turnover of wagers made at Totalizator Derived Odds);

- (3) If, and only if, any part of Approval Holder's Exempt Turnover Amount remains after allocation pursuant to clauses 2.2(f)(1) and (2), it is then to be allocated against Turnover of wagers made at Totalizator Derived Odds on any race held at a Standard Race Meeting;
- (4) If, and only if, any part of Approval Holder's Exempt Turnover Amount remains after allocation pursuant to clause 2.2(f)(1), (2) and (3), it is then to be allocated against Turnover on races held at a Premier Race Meeting (other than Turnover of wagers made at Totalizator Derived Odds);
- (5) If, and only if, any part of Approval Holder's Exempt Turnover Amount remains after allocation pursuant to clauses 2.2(f)(1), (2), (3) and (4), it is then to be allocated against Turnover of wagers made at Totalizator Derived Odds on any race held at a Premium Race Meeting;
- (6) If, and only if, any part of Approval Holder's Exempt Turnover Amount remains after allocation pursuant to clauses 2.2(f)(1), (2), (3), (4) and (5), it is then to be allocated against Turnover of wagers made at Totalizator Derived Odds on any race held at a Premier Race Meeting

(Clause 2.1(a) Example - Wagering Operator with \$8million Net Assessable Turnover)

Type of race meeting	Net Turnover for Approval Period	Allocation of Exempt Turnover Amount (reduced fee of 1%)
<i>Standard Race Meeting- Not Totalizator Derived Odds</i>	<i>\$2 million</i>	<i>\$2 million</i>
<i>Premium Race Meeting - Not Totalizator Derived Odds</i>	<i>\$2 million</i>	<i>\$2 million</i>
<i>Standard Race Meeting- Totalizator Derived Odds</i>	<i>\$2 million</i>	<i>\$1 million</i>
<i>Premium Race Meeting - Totalizator Derived Odds</i>	<i>\$2 million</i>	<i>None</i>

2.3 Bet Back Credits

- (a) For the purpose of determining amounts payable by the Approval Holder under clauses 2.1, 2.5 or 2.6, the Approval Holder is entitled to a credit of an amount equal to the amount staked by the Approval Holder in any Bet Back made during the period in respect of which the relevant payment relates if, but only if, the Bet Back is made through an account with an Australian Wagering Operator to whom Racing NSW has, prior to the Bet Back being made, granted a Race Field Information Use Approval in accordance with section 33A of the Betting and Racing Act.
- (b) For the avoidance of doubt, the Approval Holder is not entitled to any Bet Back Credit for a Bet Back:
 - (1) which is made in cash rather than through an account; or
 - (2) unless the Approval Holder can prove through documentary evidence that the Approval Holder is entitled to that credit under clause 2.3(a).
- (c) The Bet Back Credit is to be allocated as follows:

- (1) firstly against Turnover of wagers made on the same wagering type (fixed odds or Totalizator Derived Odds) in relation to the NSW Thoroughbred Race as the Approval Holder has staked in the Bet Back;
- (2) If, and only if, any part of the Bet Back Credit remains after allocation pursuant to clause 2.3(c)(1); it is then to be allocated against Turnover of wagers made on the same wagering type (fixed odds or Totalizator Derived Odds) which attracts the fee pursuant to clause 2.1(a)(2) closest to the wagering type (fixed odds or Totalizator Derived Odds) in relation to the NSW Thoroughbred Race as the Approval Holder has staked in the Bet Back, provided that the Approval Holder is required to pay a fee representing the difference between the fee on the wagering type of the Bet Back and the fee on the wager accepted by the Approval Holder;

(For example, if the Approval Holder holds \$10,000 on a horse at a Standard Race Meeting (\$7,000 at Totalizator Derived Odds (attracting a 2.5% fee) and \$3,000 at fixed odds (attracting a 2% fee)) and has an entitled Bet Back of \$5,000 at fixed odds, then \$3,000 of the Bet Back Credit is to be applied to the Turnover at fixed odds with the remaining \$2,000 to be applied to the Turnover at Totalizator Derived Odds, and the Approval Holder remains liable to pay 0.5% on that remaining \$2,000 (representing the difference between the fees at which the Approval Holder accepted the wager and the fee of the Bet Back).

2.4 Monthly Instalment Payments

- (a) The Approval Holder must pay to Racing NSW in respect of each Month an amount equal to the Monthly Instalment Amount, and must pay each of those amounts:
 - (1) Monthly in arrears; and
 - (2) within 7 days after the end of the Month to which the payment relates.
- (b) If the Effective Date is not the first day of a Month, then the amount of the payment under clause 2.4(a) for the Month which includes the Effective Date is reduced pro-rata in proportion to the number of days in the Month which occur on or after the Effective Date.
- (c) Payments under this clause 2.4 are instalment payments in respect of the fee referred to in clause 2.1(a).
- (d) The Approval Holder may apply to Racing NSW at the conclusion of the Quarter ending 31 December to decrease the Monthly Instalment.
- (e) On receipt of an application pursuant to clause 2.4(d), Racing NSW may determine, in its absolute discretion, whether to decrease the Monthly Instalment and, if so, to what amount and any such decision is a variation pursuant to clause 6.1(b).
- (f) Racing NSW may also review the Approval Holder's Net Assessable Turnover during the relevant period and may determine, in its absolute discretion, whether to increase the Monthly Instalment and, if so, to what amount and any such decision is a variation pursuant to clause 6.1(b).

2.5 Supplementary Quarterly or Bi-Annual Instalment Payments and Refunds

Instalment Payments and Refunds for Approval Holders required to report quarterly (see clause 3.1(a))

- (aa) Clauses 2.5(a) and 2.5(c) only apply to Approval Holders required to lodge reports quarterly pursuant to clause 3.1(a).
- (a) If, as at the end of a Quarter ending on 30 September, 31 December or 31 March, the amount which is required to be paid under clause 2.1(a) for the period from the Effective Date until the end of the relevant Quarter exceeds the sum of:

- (1) all instalments paid under clause 2.4 in respect of Months up to and including the end of the relevant Quarter. (For the avoidance of doubt, these amounts include any amount payable under clause 2.4 in respect of the last Month of the Quarter even though that amount is not paid until the 7th day of following Month);
 - (2) any amounts paid under this clause 2.5 in respect of previous Quarters, the Approval Holder must, within 28 days after the end of the relevant Quarter, pay to Racing NSW an amount equal to that excess.
- (b) Payments under this clause 2.5 are instalment payments in respect of the fee referred to in clause 2.1(a).
- (c) If, as at the end of a Quarter ending 30 September, 31 December or 31 March, the amount which is required to be paid under clause 2.1(a) for that Quarter is less than the instalments paid under clause 2.4 (for the avoidance of doubt, these amounts include any amount payable under clause 2.4 in respect of the last Month of the Quarter even though that amount is not paid until the 7th day of following Month), then:
- (1) Racing NSW may, in its absolute discretion, refund the amount of the excess instalments; and
 - (2) Any decision by Racing NSW to refund an amount pursuant to clause 2.5(c)(1) does not affect the liability of the Approval Holder to pay the Monthly Instalment Amount pursuant to clause 2.4 in respect of any following Months.

Instalment Payments and Refunds for Approval Holders required to report bi-annually (see clause 3.1(b))

- (d) Clauses 2.5(e) and 2.5(f) only apply to Approval Holders required to lodge reports bi-annually pursuant to clause 3.1(b).
- (e) If, as at 31 December 2019, the amount which is required to be paid by the Approval Holder under clause 2.1(a) for the period from the Effective Date until 31 December 2019 exceeds the sum of all instalments paid under clause 2.4 in respect of months up to and including December 2019 (for the avoidance of doubt, these amounts include any amount payable under clause 2.4 in respect of December 2019 even though that amount is not paid until the 7th day of following Month) the Approval Holder must, by 28 January 2020, pay to Racing NSW an amount equal to that excess.
- (f) If, as at 31 December 2019, the amount which is required to be paid by the Approval Holder under clause 2.1(a) for the period from the Effective Date until 31 December 2019 is less than the instalments paid under clause 2.4 in respect of the months up to and including December 2019 (for the avoidance of doubt, these amounts include any amount payable under clause 2.4 in respect of December 2019 even though that amount is not paid until the 7th day of following Month), then:
- (1) Racing NSW may, in its absolute discretion, refund the amount of the excess instalments; and
 - (2) Any decision by Racing NSW to refund an amount pursuant to clause 2.5(f)(1) does not affect the liability of the Approval Holder to pay the Monthly Instalment Amount pursuant to clause 2.4 in respect of any following months.

2.6 Final Fee Adjustment

- (a) If, at the end of the Approval Period, the amount of the fee referred to in clause 2.1(a):
- (1) exceeds the sum of all instalment payments and adjustments in respect of that fee under clauses 2.4 and 2.5, the Approval Holder must pay to Racing NSW an amount equal to that excess;
 - (2) is less than the sum of all instalment payments, adjustments and refunds in respect of that fee under clauses 2.4 and 2.5, Racing NSW must refund to the

Approval Holder an amount equal to the amount by which the sum of all instalment payments in respect of that fee under clauses 2.4 and 2.5 exceeds the amount of the fee referred to in clause 2.1(a).

- (b) The Approval Holder must pay any amount payable by the Approval Holder under clause 2.6(a):
 - (1) within 6 weeks after the end of the Approval Period; or
 - (2) if the Approval Holder's NSW Thoroughbred Turnover in respect of the Financial Year which includes the Approval Period is less than \$2 million, at the same time that the Approval Holder's return is lodged pursuant to clause 3.1(a) .
- (c) Racing NSW must pay the amount of any refund payable by Racing NSW under clause 2.6(a):
 - (1) if, by the date which is 6 weeks after the end of the Approval Period, Racing NSW has given written notice to the Approval Holder that it requires an audit under clause 3.4, within 14 days after Racing NSW gives notice under clause 3.4(e) in respect of that audit; or
 - (2) otherwise, the latter of within 14 days of receipt by Racing NSW of the auditor's certificate required under clause 3.2(b)(1) (if applicable) or within 104 days (3 Months and 2 weeks) after the end of the Approval Period.
- (d) For the avoidance of doubt, neither the acceptance of a payment from the Approval Holder nor the payment of a refund by Racing NSW under clause 2.6 constitutes an admission by Racing NSW that the amount is correctly determined and Racing NSW retains the right to seek adjustments if those amounts are subsequently proven to be incorrect.

2.7 Payment method

- (a) The Approval Holder must pay amounts payable under these conditions (including the fee referred to in clause 2.1 and amounts payable under clauses 2.4, 2.5 or 2.6) by:
 - (1) authorising Racing NSW to make a direct deduction from a bank account maintained by the Approval Holder and identified in writing by the Approval Holder to Racing NSW; or

- (b) For the avoidance of doubt nothing in this clause 2.7 prohibits the Approval Holder cancelling a debit authority in relation to its bank account provided the Approval Holder otherwise maintains arrangements to which Racing NSW has agreed in advance for the payment of amounts payable under these conditions and reimburses Racing NSW for any additional cost or expense that Racing NSW may incur as a result of the adoption of an alternative agreed payment arrangement.
- (c) In addition to any other remedy provided for under these conditions, including without limitation clause 2.8, if:
 - (1) the Approval Holder does not do all things necessary to facilitate the payment of any amount payable under these conditions by the due date and in accordance

with arrangements provided for in accordance with clause 2.7(a) (including having sufficient funds available in the relevant account); or

- (2) the Approval Holder's bank declines to facilitate those arrangements other than due to the act or omission of Racing NSW or Racing NSW's bank,

Racing NSW may charge the Approval Holder an administration fee on account of the costs and expenses incurred by Racing NSW in seeking payment.

2.8 Interest

- (a) Subject to clause 2.8(b), the Approval Holder must pay Racing NSW interest at the Interest Rate on any amount (including interest) payable under these conditions which is not paid by the due date.
- (b) Interest is not payable under clause 2.8(a) if:
 - (1) the failure to pay the relevant amount by the due date resulted from the failure of Racing NSW or Racing NSW's bank to give effect to the arrangements provided for in these conditions for payment of those amounts; and
 - (2) the Approval Holder and the Approval Holder's bank had done all things necessary on their part to facilitate the payment (including having sufficient funds available in the relevant account).
- (c) Interest payable under these conditions:
 - (1) accrues from day to day on the basis of a 365 day year from and including the due date for payment to the actual date of payment;
 - (2) accrues before and, as an additional obligation, after any judgment, decree or order into which the liability to pay any amount under these conditions becomes merged;
 - (3) may be capitalised by Racing NSW at Monthly intervals.

- (d) A person conducting an audit under this clause 3.4 will be subject to the same confidentiality obligations as apply to Racing NSW under clause 8.
- (e) Within 14 days of Racing NSW receiving the final written report in respect of an audit conducted under this clause 3.4, Racing NSW must notify the Approval Holder in writing whether the audit identified any increase in the amounts payable to Racing NSW in accordance with these conditions compared to the amounts which the Approval Holder has previously notified Racing NSW that the Approval Holder calculates as being the amount payable.

- (l) an Approval Holder whose annual NSW Thoroughbred Turnover was assessed as below \$2 million for the Approval period must inform Racing NSW immediately when their Turnover on NSW thoroughbred races exceeds \$2 million during the Approval Period;

NSW Thoroughbred Race Field means a NSW Race Field in relation to a NSW Thoroughbred Race;

NSW Thoroughbred Turnover means Turnover in respect of wagering transactions in relation to NSW Thoroughbred Races (or contingencies related to NSW Thoroughbred Races). Without limiting the generality of this definition, where:

- (a) the result of a single wagering transaction depends on the combined outcome of a number of events (*for example: "doubles" bets*); and
- (b) a NSW Thoroughbred Race is at least one of the events on which the outcome of that wagering transaction depends,

NSW Wagering Turnover will include the same proportion of the amount of the wagers made on the “backers” side of the wagering transaction as the number of NSW Thoroughbred Races on which the outcome of the wagering transaction depends bears to the total number of events on which the outcome of the wagering transaction depends, irrespective of the order in which those events are conducted or determined or the outcome of those events. (For example:

- if a “doubles bet” requires the selection of the winner of a NSW Thoroughbred Race and the winner of a thoroughbred race conducted in Melbourne, then ½ of the amount of the wager on the “backers” side of the wagering transaction would be included as NSW Thoroughbred Turnover even if the race in Melbourne was held first and irrespective of the outcome of the Melbourne race;
- if a “doubles bet” requires the selection of the winner of two NSW Thoroughbred Races, then the whole amount of the wager on the “backers” side of the wagering transaction would be included as NSW Thoroughbred Turnover;
- if a bet was placed on the combined outcome of a NSW Thoroughbred Race, a rugby league match and a harness race, then 1/3 of the amount of the wager on the “backers” side of the wagering transaction would be included as NSW Thoroughbred Turnover;
- by contrast, if a bet was placed on the outcome of a NSW Thoroughbred Race and the “layer” directed that any winnings on that bet be applied in a wager on another event (e.g. an “All-up” bet) so that each was a separate wagering transaction, then the entire amount of the wager on the “backers” side of the first wagering transaction would be included as NSW Thoroughbred Turnover and the second transaction would be assessed as an independent wagering transaction); and
- If a “doubles bet” requires the selection of the winner of a race conducted at a NSW Thoroughbred Premium Race Meeting and the winner of a race conducted at a NSW Thoroughbred Standard Race Meeting, then ½ of the amount of the wager on the “backers” side of the wagering transaction would be included as NSW Thoroughbred Premium Turnover even if the race at the Standard Race Meeting was held first and irrespective of the outcome of that race. The same principles apply where there is a Premier Race Meeting involved.
- Includes free and promotional bets.
